

PRESS RELEASE

Cedar Gate Recognized in Four 2022 Gartner® Hype Cycle™ Reports and a Market Guide Report

DECEMBER 1, 2022

GREENWICH, CONNECTICUT – [Cedar Gate Technologies](#) (Cedar Gate), a leading value-based care technology and services company, announced it has been identified as a Sample Vendor in four Gartner Hype Cycle reports in 2022, and mentioned in the 2022 Gartner Market Guide for U.S. Healthcare Payers' Core Administrative Processing Solutions.

"We are honored by these Gartner recognitions of Cedar Gate," said David B. Snow, Jr., Chairman and CEO of Cedar Gate Technologies. "Our solutions cover the spectrum of value-based care use cases, enabling payers, providers, and self-insured employers to pursue advanced payment models in every line of business."

Cedar Gate's unified technology and services platform enhances and automates data management activities to deliver advanced payer, self-insured employer, and provider analytics, care management, and payment technology necessary to pursue every payment model and optimize performance in all lines of business.

In 2022 Cedar Gate was included in several reports analyzing advanced technologies within the value-based healthcare ecosystem.

- > The Gartner Hype Cycle for Healthcare Data, Analytics and AI, published July 27, 2022, "tracks the emerging technologies that will have the greatest impact on data and analytics initiatives in the payer, provider and life science sectors." The report identifies Cedar Gate as a Sample Vendor in Population Health Management Solutions

BETTER OUTCOMES FOR EVERYONE®

segment. The report finds “Value-based care continues to accelerate in both public and privately funding health systems. More organizations are signing at-risk contracts and there is more money at stake in renewing those contracts.”

- > The Gartner Hype Cycle for Consumer Engagement and Experience in Healthcare and Life Sciences, published July 27, 2022, “tracks the technologies and technology-related ideas that will have the greatest impact on consumer engagement in health and wellness.” Cedar Gate is mentioned as a Sample Vendor in the Community Resource Network Management (CRNM) segment. Gartner finds “CRNM combines individual initiatives and integrates data and workflows across constituencies to address these needs at scale.”
- > The Gartner Hype Cycle for Healthcare Providers, published July 18, 2022, analyzes levels of digital innovations, market solutions and approaches for healthcare providers. The report also includes Cedar Gate as a Sample Vendor in Population Health Management Solutions.
- > The Gartner Hype Cycle for U.S. Healthcare Payers, published July 15, 2022, tracks payer technologies’ maturity level, adoption rate and deployment approaches. Cedar Gate is recognized as a Sample Vendor in the Community Resource Network Management segment. Defined as an Adolescent technology in its Maturity scale, Gartner finds “Payers, providers and consortiums are investing in CRNM at an unprecedented pace, with many reporting positive outcomes.” In this same report, Cedar Gate is recognized as a Sample Vendor in the Population Health Management Solutions analysis.
- > Earlier in 2022, Cedar Gate was included in the Market Guide for U.S. Healthcare Payers’ Core Administrative Processing Solutions.

Snow adds, “We believe our comprehensive platform is composable and compliments the technologies and workflows clients already have in place. We’re focused on meeting these organizations where they are while working at the leading-edge healthcare IT.”
